Best In Class Advisor for Household and Property

Our firm

Teresa Leigh Household Risk Management is considered a subject matter expert in hiring, vetting, retaining and skill and personality testing of household and property staff . Our expertise in household and staffing operations provides the very specialized knowledge needed to address client, employee, and subcontractor relationships. Whether setting up a new household, hiring staff, creating order from chaos, mediating disputes, or providing human resources documentation, we are there to provide our clients with unbiased counsel and guidance.

The foundation of this process is simple: we listen carefully to our clients. Immersing ourselves in the history of their lives to gain insight and understanding into their unique situations. From this a plan of action is developed to offer immediate problem resolution.

The Deliverable: a better quality of life and time saved.

Our unique features

Over twenty-eight years of experience managing the complexities of the affluent household offers us keen insight into the intimate lives and needs of these unique homeowners.

Ms. Leigh is a recognized industry leader and educator in this very specialized field. Ms. Leigh has written and consulted on numerous articles and white papers for various publications.

- Household and property management and systems

Our strengths

Our method enables us to quickly identify the problems or risk areas within the household and to clearly communicate solutions to the client. We provide our clients with time saving, common sense services. We do not accept referral fees and work tirelessly to protect our clients by carefully vetting and referencing all who seek access. This approach allows our clients to live a better quality of life supported by advisors they can trust.

Our typical client

Our clients are G1, G2 and G3 individuals or families and newly affluent, high-profile individuals or families.

We also offer advisory services to wealth managers, financial advisors and insurance brokers who are seeking assistance for their high net worth and high-profile clients.

Private Asset Management 2012 PAM Awards
